Carol Clark (916) 322-5006

### Position Location

Information Technology Services Division  
Enterprise Access Services  
600 North 10<sup>th</sup> St. (Off Richards Blvd.)  
Sacramento, CA 95811

### Send Application To

California State Lottery  
Attn: Darlene (532)  
P.O. Box 2630  
Sacramento, CA 95812-2630

### Duties

Under general supervision of the Data Processing Manager II, and under the lead of the Systems Software Specialist III (SSS III), the Systems Software Specialist I (Technical) responsibilities include:

- Provide technical support and expertise in activities related to network data storage
- Diagnose and develop solutions to moderately complex problems on the local area network servers including failure of hardware or software of operating systems and the software layers residing on the Windows 2003 based platforms
- Serve as lead to other staff on projects associated with the Lottery's multi-tiered computing environmental systems
- Assist the SSS III on data storage and distributed transaction processing systems
- Ensure Lottery security functions are met at the operating system level of the Lottery's multi-tiered computing environmental systems
- Update and maintain software on Lottery computers/servers/peripherals located Lottery-wide

### Desirable Qualifications

Applicants applying for this position should:

- Have good written and verbal communication skills
- Have good interpersonal skills
- Have good attendance
- Be willing to work overtime
- Have good problem solving skills including a thorough understanding of how to interpret customer business needs and translate them into application requirements

### Who Should Apply

Applicants must be state employees who are currently in the Systems Software Specialist I classification or have current list or transfer eligibility to this class. Applications will be screened and only those that best meet the requirements of the job will be considered. Appointment is subject to the provisions of SROA/Surplus.

**Equal Opportunity Employer:** The California State Lottery is an equal opportunity employer to all regardless of race, religion, ancestry, disability, age, sexual orientation, color, creed, national origin, sex, marital status or political affiliation.

**Background Investigation:** The California State Lottery Act provides that no person may be hired as an employee of the Commission if that person has been convicted of a felony or any gambling related offense. A background check will be required.
