RE: Request for Proposal (RFP) #6122, Pre-Construction Services and Construction of the Lottery Headquarters Building and Establishment of Pre-Qualified Contractors List for Future Projects

To All Responders:

The California State Lottery (Lottery) is continuing the evaluation process for RFP 6122 and is currently reassessing the time line identified in the RFP. Identification of finalists and interviews currently scheduled for May 11 through 13, 2009, will be held at a later date. In addition, the proposed effective date of the contract has changed and anticipated to be later than May 27, 2009 as the current time line indicates.

The Lottery will notify Responders as events related to the RFP occur. Thank you for your patience.

Sincerely,

John Muise
Contract Administrator
